Total Wellness Professionals Spa Delivers

The spa lifestyle has become entrenched in our popular culture and has provided much needed refuge and reprieve for our over-stimulated, over-caffeinated South Florida community. Total Wellness Professionals (TWP): advanced massage, cutting edge skin, hair, hand and foot care, as well as various healing arts are delivered to your doorstep or office. Perfect for private parties, corporate events, or as a personal reward for completion of a job well done, consider TWP the one-stop shop to all things good for you. These are experienced professionals helping to create a new lifestyle and bring balance and a sense of empowerment back into the mix. With such an extensive menu of exotic specialties, even the most seasoned spa-pro will find a treatment they have yet to try! Limited complimentary demonstrations available to press.

Total Wellness Professionals is a privately owned company dedicated to physical well being and happiness. Founder Ali Hecht created a concept for clients to receive different types of wellness at the location of their choice. TWP professionals are all licensed with a long history in the industry to insure your comfort and confidence. They provide the ultimate luxury of on-location spa treatments including set up, service, and clean up, leaving you in a better state of mind! TWP guarantees a variety of services to better assist you in your quest for wellness. For further information call 954.732.0517.
